• **Regulations:** Our goal is for every camper to grow in knowledge and appreciation of our Lord in a fun and safe environment! They are to stay at camp unless a parent or guardian indicates otherwise. Campers are assigned to chapters by age. Campers will make new friends and learn new skills. **In keeping with these objectives-no comic books, electronics, cell phones or other distracting materials will be permitted. Also, NO fire-arms, pocketknives, or fireworks are permitted. The use of tobacco, alcohol, or non-prescription drugs is STRICTLY FORBIDDEN.** Please do not send snacks to campers by mail; no snacks will be allowed in lodges.

• **Accommodations:** Modern lodges with central heat and air make up our lodging accommodations. All our regularly scheduled summer events use the modern lodges.

• **Health and Safety:** During summer camp, a health supervisor will be on staff and a doctor will be on call. Each camper will be provided limited "first call" insurance for injury and illness. The family's personal policy will pick up after the first call. **The health history section of the registration form must be fully completed.** At registration all campers will have their scalp checked for head lice by trained personnel. Campers found with lice will be sent home. To be eligible to return to camp the next day the camper's hair must be washed with an approved head lice shampoo and their clothes/personal items washed in hot soapy water. There will be a refund (less the \$20 cancellation fee) for campers who do not return to camp.

# Camp Policies

- Campers are asked to remain at Central Hills for the entire camp session.
- Campers and parents are asked to cooperate with camp personnel regarding living area assignments. Campers are assigned according to age division and, if possible, according to bunk mate choice.
- The counselor will supervise and guide the chapter group as a unit at all times from registration on Monday until the camper leaves on Friday after lunch. Campers should not be absent from their chapter group at any time without the permission of their counselor.
- Campers are expected to cooperate with corrective measures deemed necessary by the counselor and/or activity instructor. Corrective measures will never involve physical contact, emotional abuse, or verbal abuse. The counselor will consult with the program director regarding any matter. When serious problems arise, they will consult with the camp manager/director.
- Campers are expected to cooperate with the counselor and the counselor's chapter mate in his/her living area. It is necessary for the campers to work together.
- When requested to do so, parents are expected to pick up a camper in the event of serious disciplinary problems.
- By signing this application, you are indicating that your child may participate in all of our activities.

I have read these camp policies. I understand that my child is expected to abide by them. The camp program is designed for him/her to participate in the following activities: handicrafts, canoeing, horseback riding, archery, riflery, swimming, ropes course, camp craft skills, and various group games.
