

PERSONAL PROFILE THE KEY TO MINISTRY

The primary and clear purpose of the church is to make disciples. We have designed a process that can effectively help believers to achieve a level of maturity that enables them to develop the skills needed to function as a fully devoted follower of Jesus Christ.

"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, 20 teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age." Matt. 28:19-20

In addition the Scripture teaches that every Christian is a minister and is gifted by God to function as a necessary part of His body—the church. But gifts and skills must be developed through study, training, and personal ministry experience.

"And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, 12 for the equipping of the saints for the work of service, to the building up of the body of Christ; 13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ." Eph. 4:11-12

Your growth in all five areas will give you a balanced spiritual development that can maximize your success in ministry. Jesus spent three years in personal training with his disciples and told us to do the same kind of training as he did

"...teaching them to observe all that I commanded you..." Matt. 28:20
