## LEADERSHIP TRAINING

In addition to the 2012 statewide and area seminars/workshops listed in this brochure, you may call us for personal consultation. We may have what you need already or we may be able to custom design a teaching/training opportunity for you and your church. Our department also serves as the MCB contact for Next Level Leadership Network and also Results-based Conversations™. Alan Woodward and Keith Gordon have been certified in various areas of NAMB leadership network ministries as well as other ministry areas. They will lead conferences and retreats for your church and association. Titles and topics include:

- *Building Powerful Ministry Teams*
- *Mastering the Art of Communication*
- *Transforming Conflict: From Strife to Synergy*
- *Results-based Conversations™*
- *Leadership Greatness*
- *The Coaching Leader*
- *Lead Like Jesus*

Feel free to contact us to discuss scheduling one or more of these models for leadership training. Our department works with the Leadership Development Committee of the Mississippi Baptist Convention Board. We are excited to be working with this group of nine leaders to bring a greater awareness of the need for spiritual, servant leadership in the churches and associations around our state. This group will also explore the possibilities of providing resources on leadership. If "everything rises and falls on leadership," it is incumbent on ministers of the gospel to develop their leadership style and skills. Our convention board and this department stand ready to help in meeting this need. Please do not hesitate to give us a call to discuss leadership development and resources.
