

1 How to prepare a Student Bible study lesson

2 Key ideas you must understand:

1. The *Saturday night* special is *unacceptable!*
2. You teach students out of the *overflow* of what God is doing in your own spiritual life!!

3 Parts of every lesson: Motivation, Examination, Application

Sunday: Prayerfully review and evaluate today's lesson & pray that the Holy Spirit will enable the Word to grow on good soil.

Monday: Pray for the students and read the scripture for next Sunday & write 5-10 things the verses says to you.

Tuesday: Read the scripture again, pray for each student & ask how can your Monday points apply to your students?

Wednesday: Put meat to your lesson: details, details, details. Use your Bible, SS material as resources.

Thursday: Plan how you will make Application!!!!

Friday: Meditate on Sunday's scripture, pray, get away from your leaders guide!

Saturday: Practice teaching from the Bible, and out of the overflow of your heart!

Sunday: Love students by boldly confronting them with God's Word!

Remember . . . Preparation & study for teaching Student Sunday School is NOT your personal time with God.
