Training on prayer and lifestyle witnessing.

This four-week study focuses on Colossians 4:2-6 and teaches women how to pray, to watch for opportunities to share the gospel, to make sure their walk and talk live up to each other, and to study the Word of God so they will know how to answer all. The workbook includes a section for leaders to go along with the four sessions. A five-day, four-week study guide helps the student learn verses to present "HeartTalk" and also give the student a plan to pray for the unbelievers in her life.
