

Application for Mississippi Baptist Student Missions LIFESTYLE QUESTIONS

PLEASE READ CAREFULLY

The next eight questions are highly personal in nature. The information will be handled sensitively and confidentially by your campus minister, and the staff members in the Collegiate Ministry and North American Mission Board offices evaluating your application. It will not be shared with anyone outside of these two offices. This information will not be available to the Student Missions Committee handling your interview process. Because of the high visibility of our personal lives in a ministry of this nature, we need to be above reproach and an example of one representing Christ to others. We are concerned that participants exhibit strong convictions and a lifestyle consistent with Biblical standards. As an applicant, we want you to understand that a past problem with any of these areas will not prevent you from being accepted provided:

1. It can be determined that your convictions are strong and consistent with Scripture
2. A sufficient track record (6 months or more) of Christian living has been established.

INSTRUCTIONS

Please circle YES or NO to the questions on the following page. If yes is circled for any of the questions, please use the space provided to describe the context of your answer (i.e. situation, when it occurred, frequency, etc.). Your explanation will be reviewed by your BSU Director or church minister, who may choose to follow-up with you about this.
