

## Testimonial Booklet of 21<sup>st</sup> Century Disciples

Here is a simple idea for pastors to develop a testimonial booklet in your church.  
Ask children, students and adults to participate.

Email your church members the following information:

*Sometime today take about 10 minutes and  
jot down in an email...Your life with Jesus.  
Discipleship begins with a life-changing meeting with Jesus.*

*On no more than one page tell your story...  
The WHEN, WHERE AND WHO....*

*Feel free to tell of a church...parent...pastor...teacher...VBS...revival...etc...  
that might have pointed you to Jesus.*

*The WHAT....What has happened on your journey since you met Him?  
The HOW...How is He using...leading...blessing you now?*

*ONE PAGE....TODAY....EVERYONE...return email to me (pastors email address)  
Thank You.*

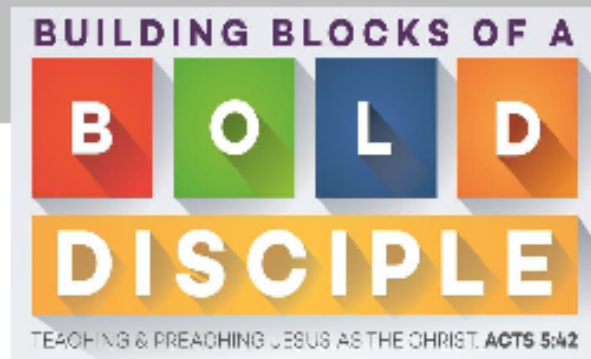

These inspirational stories can be used in AM/PM worship services,  
Wednesday night prayer meeting, Sunday School classes,  
Men's/Women's Ministries, Discipleship classes, etc.  
We tested this idea with our MBCB staff and

I emailed a select group of pastors and got immediate response from both groups.  
[Three of the testimonies appear on pages 22, 24, 26 of the 2015 Church Design Handbook]
