Phone Calls

No camper will be permitted to bring a cell phone to camp. If a camper has a cell phone, it will be taken and locked up until the camp session is over. If for some reason he/she must contact you, the camp manager will actually make the call at no charge to you. Also, we find that it is best for parents not to call unless there is an emergency. The camp manager/camp director will gladly assist in conveying any emergency message from you. Homesickness is usually over in a few hours and staffers make an effort to make it as easy for the homesick camper as possible.

What to Bring to Camp

Listed below are suggested items your child may want to bring to camp. **Encourage him/her to keep up with clothing and personal items so they will not be left at camp.** We will help in this area as best we can. **Please mark all items with camper's name. Camp Banking

Each resident camper will deposit all of his/her spending money in the Camp Bank upon arrival at Central Hills during registration. The camper will be refunded on the morning of their departure. The camper will then be able to buy souvenirs.

*God is our refuge and strength,
an ever-present help in trouble.*

*Therefore we will not fear, though the earth give way
and the mountains fall into the heart of the sea,
Though its waters roar and foam and the mountains
quake with their urging.*

Camp Policies

- Campers are asked to remain at Central Hills for the entire camp session.
- Campers and parents are asked to cooperate with camp personnel regarding living area assignments. Campers are assigned according to age division and, if possible, according to bunk mate choice.
- The counselor will supervise and guide the chapter group as a unit at all times from registration until dismissal. Campers should not be absent from their chapter group at any time without the permission of their counselor.
- Campers are expected to cooperate with corrective measures deemed necessary by the counselor and/or activity instructor. Corrective measures will never involve physical contact, emotional abuse, or verbal abuse. The counselor will consult with the program director regarding any matter. When serious problems arise, they will consult with the camp manager/director.
- Campers are expected to cooperate with the counselor and the counselor's chapter mate in his/her living area. It is necessary for the campers to work together.
- Parents are expected to pick up a camper in the event of serious disciplinary problems.
- By signing this application, you are indicating that your child may participate in all of our activities.

I have read these camp policies. I understand that my child is expected to abide by them. The camp program is designed for him/her to participate in the following activities: archery, canoeing, horseback riding, riflery, swimming, ropes course, and various group games.
