

Children's Bible Drill 2020-Green Cycle

Church Report Form: (Please complete and mail or email to us after your associational drills)

Please report all children participating in the Children's Bible Drills at your church. Any child in grades 3-6 is eligible to participate in Children's Bible Drills. We want to acknowledge the participation of all children who participate in church, associational, or state drills. We will mail to your church the certificates and ribbons for all first year participants. The same certificate is used all the years a child is in Children's Bible Drills. Also, we will mail seals to any child who participates in church or associational drills but does not advance further. Children who participate at the state drills will be awarded their seals at the state drills. If seals or certificates from previous years have been lost we will be happy to replace.

Please fill out the form below to report the 3rd, 4th, 5th, & 6th graders from your church. (6th graders drilling as students should be reported with students.)
