

MS BIBLE DRILL AWARDS

CERTIFICATES

Each participant in the Church, Association, or State Drill is awarded a participation certificate if he does not already have one. Church leaders are to complete the "Report Form" attached to the Church Drill Packet. This form is used to determine how many certificates and seals to send to each church. If seals or certificates from past years have been misplaced, we will gladly replace them upon request. A certificate has room for up to 6 seals.

SEALS

Seals are awarded to designate the student's achievement. One seal is awarded each year to designate the highest level of achievement for that year. Drillers who make more than 12 mistakes in the Church Drill or who choose not to participate in the Association Drill will be awarded a "Church Participant" seal (all church seals will be mailed to the participant's church when the "Report Form" is received). Drillers who make more than eight mistakes in the Association Drill or who choose not to participate in the state drill will be awarded an "Association Participant" seal (the association seals will be mailed to the participant's church upon receipt of the "Report Form").

Students participating in State Drills will receive one of the following seals indicating their level of performance:

0-2 Mistakes: Superior

3-4 Mistakes: Excellent

5-6 Mistakes: Good

7 or More Mistakes: State Participant

SPECIAL AWARDS

Ribbons are given to first year drillers in children's or student bible drills.

Medallions are awarded to those drillers who have completed 3 years in Children's Bible Drills.

Plaques are awarded to drillers who have completed their fourth year of the Student Bible Drill, not counting participation as children. These plaques have the participant's name engraved and have interchangeable plates for the number of years that the student is involved. As he or she completes the fifth and sixth year, the replaceable plates are given to the student at the State Drill.
