MARGARET LACKEY OFFERING FOR STATE MISSIONS

# MISSION VOLUNTEERS

Our church partners with another church in the city of Polo in the Dominican Republic. I went with a mission team from our church to work with this church. A few of us went with Pastor Mateo and Alejandro, the translator, to a nearby village to visit a man who lived in a house on a hill. We went to give the man a gift of rice and beans and to tell him about Jesus.

While sitting in the man's home, we listened as the man and Pastor Mateo spoke in Spanish. Although we couldn't understand what the Pastor was saying, we knew that he was sharing the Good News of Jesus with the man. During their conversation, the man got down on his knees and prayed with Pastor Mateo. The man asked Jesus to forgive him for his sins and save him. Then he jumped up and gave each of us a hug and said, "We are now brothers in Christ!"

Because of your support of the Margaret Lackey Mission Offering, volunteers like me are able to travel to other parts of the world to share the love of Jesus.
